The Premises:

Nice part of the world, easy to find, lots of parking, cute house, nice bathroom and straight into the tidy bedroom.

The Lady:

Lovely looking girl, the pictures on her website just don't do her justice. Great breasts and beautiful down below, really juicy and clean pussy and a fab arse, obviously looks after herself.

The Story:

I'd not been with Lucy before and had a great experience, she's gorgeous and a joy to be with. After the pleasantries we soon got down to it, it was a real girlfriend experience. Lots of passionate kissing, exploring each other bodies. I licked her out, I think I loved that almost as much as she did. She gave me a blowjob with condom, handjob without, had her on top of me, then I went on top her, and then fucked her pussy from behind, what a great pussy to pound too. Then we broke the bed!! We chatted for a while after, once again, lovely girl! I had a great time and will be back very soon. Sorry about the bed Lucy, really I am.
