The Premises:

Top Floor flat in MK, building work going on around, workman to and fro lots of noise outside, stairs a bit dark when I went in, flat was ok, busy with the male receptionist and another guy who i think was a punter, sitting down talking to him at the entrance, not to disreput but having been to HOD its not a problem but new punters might find it daunting. Tara was also up and down during my time there.

The Lady:

Late 30s at a guess, big boobs which were very nice, lovely bum as well a nice curvy and bouncy lady. Smile on her face through and very welcoming. Dresses in a see through gown, nice underwear, new it would be fun from the second she walked in the door.

The Story:

Had booked the day before to see Bonnie for the massage service, but upon arriving and phoning was told they had no record of the booking and Boonie was not free for a while, too late for me, so lucky Linzi was free 45 minutes later at 1 so I waited, else it would have been a trip to Mk for nothing.

Greeted with a kiss and a hug, including some touching of each others bodies, sat down on bed kissed and she gave me a briefly massage on the bed and then turned over for some oral, which she was great at, best bj I have had in a very long time, she can deepthroat as well, seeing my length disappear into her mouth was a huge turn on, she took it all as well.

We stood up and Linzi got on her knees in front of the mirror on the wall with me standing and continued the oral action there, occasionally watching in the mirror she deepthroated again, and made eye contact regularly as well which I like. Before we started she said I could cum if I wanted, well how could I say no to that, then she said she may even give me a snowball if I was up for it, well shes a hard woman to say no to lets just say that. I am an open minded guy so decided to go with it. More on that later.

Onto the bed for some sex, starting with Linzi on top bouncing up and down, whilst kissing as well, then switching to doggy and watching in the mirror and finally onto missionary. Wanted to finish as

we had discussed, so back to Linzi on her knees me standing, she sucked me, and throughout didnt make use of her hand just used her mouth, no trick of using the hand to bring things to a quicker conclusion like some girls do.

Eventually shot into her mouth, she took the whole load, and then guided me onto the bed and transfered the said load to me with one heck of a cheeky grin on her face. First time doing that for me.

Cleaned up and finished my orange juice while Linzi chatted and sorted the bed out and then was escorted out by her with a goodbye kiss.

A top woman who will make you feel great and very naughty and who can really suck a cock for England, thanks Linzi.
