The Premises:

Not the prettiest, clean, enough for me.

The Lady:

Nice and friendly, well above the average English WG standard, great attitude, great body, cared a lot about my needs, that's all i wanted and i had it.

The Story:

Got there, got comfortable, the fun began. First a good massage then down to action, plenty of kissing, great bj, sucked real deep, during sex she moaned and we went on kissing each other. Finished on her mouth, no swallow. Restored my fate in English WGs.
