The Premises:

Popular apartment. Small room but adequate for the job. Totally safe area of London.

The Lady:

Not classically pretty but by no means unattractive 6/10, however excellent body which was well hidden until she got her kit off 9/10

The Story:

Wicked sense of humour, naturally friendly, intelligent cant think of enough superlatives had a brilliant time. Told the agency that I wanted a really good massage and boy is that what I got! Booked a 2hr appointemnt and before I knew it over an hour had gone with Angelina massaging my back, but I wasn't complaining one bit. Next was the blow job, absolute heaven, I've had good blow jobs before but this girl really sucks, it was like a vacuum around my shaft. She massaged by balls and used lots of spit, licking up and down the shat, fantastic! By the time she was finised there were only 10 mins to go so I'll have to return to have sex with her but if the sex is a tenth of the blow job it'll be really worth it.
