The Premises:

Clean nice place as mentioned before.....but had a bit of a hard time finding the place. Sally wouldn't give me her post code for me to use on my Sat Nav as it would have made it easier for me to get there. Instead she directed me to Lower Himley Road & ended up doing 9 miles instead of 4 miles I would have done from my home in Tipton.

The Lady:

Fantastic lady in her 40s, friendly & ready for action

The Story:

Sally was a great punt, as she was my first. Once Sally started working her magic, I quickly forgot the disappointment of getting lost. Sally started off with OWO, talking dirty & kept eye contact with me all the way. After a little while, I felt like cumin & I asked for sex. We went into mish, covered & as it was my first punt, I didn't last long. I told her about this site & she was well pleased to know that she is getting great reviews. I will be back again & this time I hope to last a little longer. Thanks Sally for a great time.
