The Story:

opted for full service with OWO (no completion though)

started with a nice massage with great conversation which relaxed the mood perfectly, once on my back there was nice cuddling and french kissing, abbey slowly moved her lips down my body and proceeded to give me a nice slow BJ - she had said she specialised in deepthroat and it was great to watch her take my whole length in while keeping eye contact. Then on with the condom and finished me off cowgirl

all in all excellent - lovely welcoming mouth and deliciously tight pussy
