The Premises:

Brooklyns has always been my fave due it's location. very pleasant. Receptionist very friendly and chatty.

The Lady:

Estelle is going to be one popular young lady at brooklyns. Check her web pics. Gorgeous!

The Story:

What can I say...when she stripped off my face lit up. I lay on my back, she crawled over me, lightly kissing my torso. She sat on my face...what a lovely shaved pussy. A few positions and done!

lol...she's quite a lovely looking, fit young lady. very sexy!

The only gripe I would have is that she became a little impatient at times. When she was on top i was moving my hips and she said, "It's ok, I'm moving" but i thought, well, I wanna move to! Then she kinda rushed onto doggy because she wanted to finish...or she wanted me to finish...lol.

But I would definitely see her again....and some!!! :)))
