The Story:

Description of the other reports are true here as well.

Absolutely amazing!

Dressed as a school girl as requested, she began by serving some wine, as she bent over to pick up the bottle from the fridge a sudden ooopps! from her as I could see her knickerless and exposed pussy. We then proceeded to the couch where she proceeded to unzip me and gobble my cock (even deep throating). We moved to the bed and I began to pleasure her while she was sucking - in no time was I releasing my juices into her mouth I looked over as she opened her mouth to show me the full load, before swallowing!

Took some time to chat as I recharge, as we chatted, she is certainly a travelled girl. Within minutes she was back to doing what she is known for, getting a pounding...going from mish to doggy the anal, I whipped it out in between for some rimming and finished off in her mouth again, just to make sure I wasn't dreaming I observed the same scenario - down the hatch! Truly a pornstar. I will be seeing her again, that is for sure!
