The Story:

The maid seemed a bit fierce, but showed me to a nice room There was a choice of 2 girls and Paris was keen ? and she was as enjoyed herself later They use a menu and I chose the ?60 option for full sex, and while she took the money I undressed She was back soon and discarded her minimal clothing and hugged me with her naked body. I enjoyed her shaplely curves and she has nice natural breasts. Next I moved south and she gave me acess to her sweet pussy and her peachy bum. I love arses and she offered me anal, but said it would be her first time. She moaned with pleasure as I fingered her pussy .She played with me too, put on a rubber, but I did not get a good stiff thet night so we had 69 with her mostly using her hand not her mouth, while she enjoyed my toung deep in her pussy. She helped me clean up after shooting my load.

Any nice men who have some pleasure up her little virgin arse, please post full details. Paris normally works Saturday, but call to check.

Sorry it has taken a long time to submit but could not get to my Punternet password., as external hard disc failed.

I may not get to return as have found another regular lady, but she was away for some weeks.
