### The Premises:

As reported before; Located on small parade of shops. Security entrance. Felt safe, although not sure at night. Let in by maid. Clean & tidy. Shown into a dungeon type room, then met Honey, very attractive. The other girl was lovely but busy.

### The Lady:

Honey is mid twentys, pretty, shoulder length slightly dark hair, probably size 10, 34c/d, slim. Very friendly. Wearing nice lingerie with black stockings.

### The Story:

Started with massage, then massaged Honey, which she seemed to enjoy. Then she sat on top of me giving an excellent view of her arse, then condom on and some nice oral. Rubbing my balls was great. Then fucked Honey in doggy, slowly then faster until an excellent climax. Overall very enjoyable.
