### The Lady:

Tara is around 5'7" tall, in her mid-twenties, with brown hair and a cheeky grin. She is a size 10/12 and has recently had a breast op they are quite big around 34DD or 34E.

### The Story:

Started with a massage with lots of shoulder and neck work. Then after turning over there was an Indian head massage to get totally relaxed. A reverse massage of Tara allowed me to get to grips with both her front and her back. Tara was anxious to get to grips with me so it was back onto the massage table whilst we got each other going. Some very good oral was followed by missionary and doggy before Tara completed the task with HR. There were one or two kisses thrown in for good measure which was a pleasant surprise.

Tara is very chatty and easy to talk to during the massage; she is also very vocal during the fun with her dirty talk.
