The Story:

Been a while since I'd had an oriental girl so thought I'd take Rika for a test drive. She's very friendly and eager to please. Sorted out the finance and joined her for a bath. Gotta love these oriental girls and their baths. She sucked my cock like she'd had a dyson installed in her mouth - fantastic!! Made me cum in no time. Dried me off and then took me back to the bedroom.

Laid down on the bed for a lovely massage. She knows how to relax you. After a bit she reach under me to start stroking my cock and playing with my balls. Got good and hard and she started to suck my cock from behind - very interesting!! Decided I had to fuck her so got her to climb on top and pump away. Played with her firm tits (enhanced) and she enjoyed having her nipples pinched hard. After a while I requested anal and she happily got onto all fours. Her arse is good and tight and she took my cock all the way. Fucked her hard in doggy - she clearly enjoys anal and let out all the right noises. Forced flat on the bed and continued to fuck her arse hard. This made her moans louder and made me fuck her harder. Came up her arse.

Really enjoyed fucking Rika. Had time for another round but was totally spent. Would definately recommend her. Not the prettiest but takes a good, hard fucking and can suck cock like the best. I will definately be back for more.
