### The Premises:

Recently been refurbished. Good establishment friendly but not false.

### The Lady:

Slim Brunette with good body average face cheap tatoos. But something just so sexy about her that I cant quite place.

### The Story:

Friendly girl. Started with some great owo but not enough before on with the rubber. Sex in several positions with particular highlight her bouncing around on top. Then for the sexiest view in the world her on her back speading her pussy lips as i entered her arsehole. She let me fuck her in her arse long and hard in several positions before i blew my load. I strongly recomend the anal.

will definetley return to fuck that ass
