The Premises:

This is a well established parlour above a motorbike shop. The front door was open, a security camera on the inside door felt a bit ominous, but after pressing the door-bell and going up the stairs I was immediately made to feel welcome by a friendly afro-caribbean 'maid', who offered me a drink. Hailey (brunette) and Katie (blonde) came to introduce themselves - I opted for Hailey who was prettier and seemed more friendly.

The Lady:

Hailey said she was 24 from Poland and had been working at the parlour for 3 months doing 2-3 days per week. She has petite and pretty with stunning deep blue eyes. She claimed to be a pole dancer before she came to the UK, and I think I believe her! I'm never to sure about cup sizes, but her boobs were a perfect handful. Part shaven down below. Lovely curvy figure.

The Story:

Started with the usual back massage - technique was not quite right but there again with a back massage who cares? Then she invited me to turn over for a massage of my front and of the inevitable. On with the mac and received oral, then she rode me popping my todger inside her. After trying a few positions she rode me again to completion. She was cheeky and lively and seemed up for anything, keen to please and put me at ease. We then chatted for a while (should I have taken up smoking?) and she genuinely seemed to not want me to go. So, all-in-all a very enjoyable, unhurried GF experience. Thanks, Hailey.
