The Lady:

Slim, small boobs but with stand out nipples, shaven pussy, big eyes attractive. Pictures on her websit accurate.

The Story:

There is only one way to describe our time together WOW! As stated on her site she does not do A and does not like anything involving pain.

Everything else she is up for.

This girl gives a full GFE and I mean FULL. Snogging, BBBJ, CIM, etc.

The sex is mind blowing, she loves having her nipples sucked and also likes both giving and receiving oral. In fact licking her pussy really get her going. Not that it takes much to do that!

We had sex in most positions and I will certainly be seeing again, and soon
