Actually, not a threatening place to visit at all - up a shared staircase and ring the bell. The maid answered right away.

The Lady:

Nikki was the only girl available but she looked gorgeous as she posed for me. She's early forties, but she has a lovely face, a fantastic ass, and a bubbly personality

The Story:

My expectations as I stripped off to the sound of some rather loud music and the distraction of a silent porn film - weren't especially high - but Nikki came in and simply oozed sex. She's a talker, a fizzy, enthusiastic bundle of energy; she wants you to enjoy the sex and makes sure you do. I started, the way I like to do, slowly - stroking her body, kissing her tits, fingering her pussy. She was great. She has the smoothest tanned skin and a perfect shaven cunny. I asked if I could kiss her - 'of course,' she said, and that did it for me; rolling naked on a bed kissing a woman as lovely as Nikki was worth the entrance fee on its own. Eventually we got around to OWO which was fantastic - and by then I was on my back somewhere in another universe. She rode me, grinning widely throughout, and after I'd come, she was in no hurry to clamber off. It was a relaxed, unrushed, and thoroughly sexual experience. Don't be put off by Nikki's approaching middle age - she is a MILF - and I for one can't wait to go back for more.
