### The Premises:

Kandys is a detached house, set back from the main road, not overlooked with plenty of parking to the rear. Very safe area.

### The Lady:

Petite (5'2"), size 6, 34D (slightly enhanced but nicely done), dyed blond, very cute ass and well trimmed though not shaven mound that fit into my hand a treat. I prefer smaller ladies so Cassy is physically delightful but fun with it - a sexy little Imp!

### The Story:

Cassy is quite new to Kandys and as usual with this place is another nice lady - all Kandys girls seem to take their work seriously (but with fun!) and appear genuinely keen to please, Cassy was no exception. We started with a massage which I badly needed - however at her suggestion we swapped places and she got me to massage her to help me relax. During this she seemed to like me gently fingering her and sucking on some very pert nipples. Note: Cassy asked me not to finger her inside which is fair enough. Anyway, I certainly relaxed but Percy woke up quite nicely and I rather fancied seeing her sitting on it however, I had asked for a basic massage and HR without sex so essential supplies had been left downstairs - so a return visit will be needed to fully sample her delights - and I definitely will!

She is very cheerful - openly said to me that she really enjoys her work (and it shows), when I left she gave me a nice kiss and cuddle.
