The Premises:

Clean apartment used as a working girl flat for different agency girls. Been there many times - clean, safe and adequate.

The Lady:

Good body, face probably not the best (4 out of 10)

The Story:

Typical working girl who spends a lot of time in London (she is from Brazil) and travels round the country with the agency. Very mechanical service - nothing like good value, no BBBJ as advertised. Basically could not wait to shoot and go - which is what I did - have had good experiences with some of these temp girls but mainly its a risk - give her a miss.
