The Premises:

A room in The Holiday Inn Carrow Road - very nice.

The Lady:

Blonde, stunning blue eyes, 26 - but looks younger, huge natural breasts, lovely body built for having fun and making love with. Boundless energy and smiles. Laura is great company and would make an ideal dinner companion. It is 2/3 years since I've had the pleasure of seeing Laura - and I realise what I have missed.

The Story:

Ever since I first met Laura, under another guise in a parlour in Ipswich some time ago now, she has been an A1 Class Act. Everything she does and exudes is designed for your pleasure, making you feel the most important (and luckiest) person on the planet for an hour or so.

The ultimate GFE, making you feel welcome, kissing, owo, reverse oral, sex in as many positions as you want - but it is the way it is done which makes it all so special and worthwhile. There is almost an inevitability that you cum in Laura's mouth - and what an invitation that is :-)

I'm sure there are many guys out there who would be delighted to meet Laura, either for the first time, or to see a familiar face (and body) under a different name. I can only fully recommend that you do.
