The Premises:

Smart flat just off Baker Street. A bit on the small side but ample enough for a party.

The Lady:

Gorgeous blonde, huge tits DD (enhanced). She seemed slightly older than the pictures on the website but still very good looking and her body just like on the pictures.

The Story:

It was a party where Foxy and Keira were meant to be at but Keira couldn't make it so Steve arranged for two other girls to turn up. Tory another very busty (enhanced) English blonde and Gabi a natural busty Brazilian blonde.

The three ladies were lovely but it was Foxy that caught my eye. Not only is she very good looking but loves what she does. It was lovely seeing her spread her legs wide open for us and giving encouraging horny whispers whilst entering her. She's very obliging as to what positions you want to get to or what you want her to do. As usual all girls offered BBBJ and were very eager to please.

Steve runs good parties, my only complaint would be the light 'buffet' which is very light indeed - consisting of jaffa cakes and peanuts. However I, like many others, have become a Club Fantasy regular.

I hope Foxy stays with Club Fantasy for a long time. All in all a great party with three gorgeous ladies for ?100 - can't beat that for value for money!

I will definitely be seeing Foxy on a one to one basis.
