The Premises:

Just off Upper Street in Islington Park Street. Easy to park over the other side of Upper Street. You walk straight upstairs to a typical knocking shop where the maid greets you and takes you off to one of the "bedrooms" down the passageway. It was freezing outside and the room wasn't that much warmer...

The Lady:

Sienna was a pretty eastern European girl around 19 - 20. Her picture is not on the website. She looked completely bored to death and obviously doesn't enjoy her work.

The Story:

I went for the ?70 for 40 mins. option with an additional ?20 for reverse oral in the hope that she might turn out to be as sexy as her youth and beautiful body had the potential to be. We sat on the bed but I just couldn't get aroused so spent the time chatting. Sienna tried to get me hard by rubbing and sucking whilst talking about life in England and although she seemed quite sweet she just wasn't sexy! Eventually she managed to get me hard and lay back for me to fuck her. Within seconds there was a knock on the door and to be honest I was glad to get out of there.
