Attractive, slim, intelligent, English lady, about 40. Long, straight, blonde hair. Firm, natural boobs. Friendly, and a good conversationalist.

The Story:

I decided to see Ana on the strength of her favourable reviews on a well known 'adult' website. I contacted Ana by email and phone and she directed me to her approximate location from where I phoned her again. She then came out into the street to meet me. Ana led me to the bedroom where we sorted out the money. We did not bother with a conventional massage, and so we indulged in some foreplay. Some mutual fondling and French kissing followed, with some OWO and reverse oral. We then had sex in various positions, including mish with her legs over my shoulders. We finished with Ana giving me a hand job while I sat astride her and I came over her boobs. Ana is a very friendly and likeable lady who seems to enjoy her work.
