The Story:

Not used an escort service for a while due to personal reasons so was a bit nervous. Sarah greeted me at the door with a huge smile and a kiss on the cheek.

We sat down and she put me at ease over a cup of tea. Sarah explained the cup of tea.

She was wearing a silky night gown, underneath was black and red lingerie with thigh high stockings, garter belt and holdups. As we were drinking our tea she sat next to me, subtly letting her gown open to give me a glimpse of what was underneath.

She rubbed her hand on my thigh, kissed me then took my hand and led me to the bedroom.

Lots of deep passionate kissing as she slowly undressed me, she then gave me a strip tease / lap dance that I will never forget! she took her bra and panties off leaving just the garter belt, holdups and stockings - very sexy!

She then went down to give me amazing owo to completion, looking me in the eyes as i came and swallowing with a smile!

We then cuddled for a while until i had recovered.

Spent the next 2 and a half hours enjoying lots of reverse oral, 69 and sex in many positions.

Left with a huge smile on my face!

This girls REALLY loves her work! thanks Sarah!!
