The Premises:

Nice part of Paddington, although I must say Paddington is pretty upclass everywhere. Easy to find, as the route takes you along the main road then into a pretty affluent area. Once inside the flat its not as big as it seems on outside, but is well presented and tidy.

The Lady:

Pretty much as pictures, amazing legs and skin, lips - very well presented and the most seductive french accent ever. I tried to converse but my GCSE french was just not upto par oh well

The Story:

Straight in and the obligatory shower, by the time I came out Yana was in a very playful mood. Some gently teasing kissing and cuddles then offered a drink from quite a big range actually.

From then on, I can only describe this lady as the best of both worlds, a sexual dynamo and also with that tender GFE touch. The time spent was so relaxed and un hurried I thought my time was up after 15min - Done just about everything I could want or imagine, even tipped as the time spent after was pretty good conversationally. Will see again soon.
