The Premises:

"The Blue Room" in a large 2 bedroom parlour above a parade of shops on Chadwell Heath High Road, entrance through an alley behind the parade the number clearly displayed , up an external flight of steps , the entrance is very secure. A spacious bedroom light blue walls , subtle lighting , erotic prints on the walls, a porno dvd playing.

The Lady:

Slim , long dark hair , blue eyes, a natural smile with pearly white teeth, medium sized soft breasts, wearing a "serving wenches" outfit , white lacey top, fishnet stockings, strappy clear high heels, a golden chain around her belly with a love heart pendant over her navel, dangly ear rings , red fingernails.

The Story:

Having seen the website for this parlour , i phoned for the details , and spoke to Kay whom i had met when she worked as a maid at Leahs . Jemmas , i was informed changed hands late 2006 , and Kay has been running it subsequently , Abbey was a lady whose photos i had seen when she worked at Leahs , and had wanted to visit , but never had, so this was the opportunity , and that morning booked an appt. to see her that evening, as what could be a better palliative to the Winter gloom.

I made the trek to Chadwell Heath , the parlour is not far from the overground station, Kay had asked me to confirm my booking at 5 which i did , at half 5 , i was not far when the heavens opened and caught outside , and phoned to ask if i could arrive early Kay replied this was fine , i did my best to dodge the puddles in the alley before ascending the staircase and ringing the bell.

Kay let me in we kissed on the cheeks , she was very friendly and welcoming she showed me to the blueroom (see above for description) and we chatted about the background to Jemmas.

I was drenched from the rain and asked if i could take a shower before my appt. started , Kay showed me to the bathroom and was given a clean crisp Ann Summers towel (a nice sexy touch). Having taken a shower i returned to the blue room , and Kay shortly rejoined me , my trainers and socks had got soaked in the rain and Kay which was really kind said she would take to dry on the radiator in the front room . We also sorted out payment the 1 hr booking a basic 120 , plus as we

had discussed on the phone the 2 extras available were a toy show and reverse oral (my favourite) both an extra 10 each , i handed over the 140. Kay explained Abbey was having a cup of tea and would be joining me in the bedroom at the booked time, she also told me there was a choice of costumes , she showed me to the hall where on the wall were; a lycra nurses outfit , pvc French maids , i asked which was Abbey's favourite Kay told and showed me the serving wench's which she took from the wall, i was shown back to the blueroom and invited to make myself comfortable before Abbey arrived.

At 6 promptly came a tap on the door and Abbey made her entrance (see above) smiling beautifully , we kissed on the cheeks and Abbey asked what i would like to start with , she suggested that i lie on my front and she would give me a massage , i was wearing only my boxer shorts which i quickly removed and lay on the bed , opting for talc, Abbey has lovely soft hands and nicer still her breasts drooped out of the front of her top which she rubbed against my back , they felt wonderfully soft , she also used the tips of her fingers to sensually brush my cock and balls tantalisingly.

Next Abbey asked me to lie on my front the tresses of her hair brushing me , she leant forward , and nibbled my chest , she has the most delightful sexy smile , her breasts drooped forwards , i took her left breast in my hand and her nipple between my lips , Abbey had deliciously soft breasts , i asked her if she'd like me to lick her other , "of course, cant do 1 without the other Abbey replied, her right breast was also deliciously soft.

I suggested to Abbey that i massage her , she stood up and asked me to remove her dress , i had nightmare visions that it would be horribly fiddly to undo , but Abbey told me i only needed to unhook it which i did then slid down her fishnet clad legs , and over her high heels . Next she asked me to remove the thin white knickers she was wearing which i did revealing her lovely shapely arse . Abbey lay on her front and choose talc , she has a good slim figure with lovely soft skin that was wonderful to caress , particularly the cheeks of her full arse. Next she lay on her back i started to massage her sides , moving upwards , "dont miss my boobies " Abbey said smiling i again caressed her delicious soft breasts and leant forward to again suck her nipples , she clasped and rubbed the back of my neck as i did.

Abbey then suggested a toyshow , we rose Abbey taking the vibrator from the small chest of draws next to the bed , over which she expertly slid a condom. She was about to switch it on when the base and the batteries fell out and it took between us a minute to find and retrieve , Abbey lay on her back on the bed watching with delight , it was also the 1st chance to see properly her lovely shaven pussy, and watched her masturbate and asked if i would like to use it on her . I turned it on and it buzzed as i slid it inside her fucking her with it there was a delicious squelching noise she was WET , and wonderful to think soon i was going to lick and fuck this horny womans pussy.

Abbey then suggested she use the vibro on herself again, and i again became the spectator , this time Abbey stuffed in and out of her love petals and proceeded to then put it in her mouth, and repeated this twice , when i asked if she enjoyed the taste of her pussy which she nodded , and subsequently asked if she could would put it in my mouth , which she did withdrawing the vibrator glistening with her juice and putting it in my mouth, before using it on herself and again sucking it. Abbey then took a condom sliding it over my aching hard cock and commenced the most fantastic porno cock suck , i lay on my back and watched Abbey's smiling mouth filled with my dick, she performed numerous porno techniques licking repeatedly my glans , sometimes gently but orgasmically nibbling my cock, and playing with my balls . Abbey told me she has appeared in several pornos and on the playboy channel , boy-girl and girl-girl, she explained she is into "boys and girls .. i'm greedy" , and works with some of the girls at Jemmas which sounds like an orgasmic treat for the future, and this was truly a bj performed by a professional porno babe.

I asked to return the compliment , Abbey lay on her back i moved my head between her legs and started to lick , before long she was very wet ... the wonderful scent and taste of female sex , i asked to continue this time with her sitting on my face , she assured me she was enjoying this as much as me , she descended onto my face , my tongue moved between her petals , Abbey looked down smiling sexy,as i licked and licked.

We were most definitely ready and when i asked her which her favourite position was Abbey replied " all of them" mine too i replied, she suggested we start with her on top, i lay on my back and she lowered herself she felt fantastic, even through the condom i could feel the heat and moisture of her fanny, and she clasped me with her muscles wonderfully tightly . She fucks hard making the bed

creak noisily as she slammed up and down, shortly afterwards i suggested we switch positions , Abbey felt we should do doggie next , and again it was wonderful to slid into her moist receptive quim, we moved on to straightforward missionary, wonderful to look at Abbeys smiling face and lovely blue eyes as we fucked, and again changed position this time to spoons (i was delighted with my staying power).

Abbey suggested that next i sit on the side of the bed and she lowered herself onto me, and after after fucking again hard we got into a position i had never done before , with me lying on my back Abbey had 1 of her legs behind mine while she was at 45 degrees from me and she called this 1 reverse spoons.

Having been through all thses Abbey said she knew of no more positions and that next time we would have to bring the kama sutra and work our way through it... again another fantastic future treat to look forward to.

There was still a little time left and Abbey took the vibrator and treated me to a 2nd show , before asking me to lie on my back for another bout of fantastic porno cock sucking , Abbey again when i asked is she could taste her own pussy on the condom covering my cock said she could and she liked it, i asked her if she could do deep throat , she nodded as she sucked and my cock disappeared completely from view into her mouth.

I said i would love to fuck again , she asked me to lie on my back

for the 2nd session of cow girl , she leant forward nibbling on my chest , the knock on the door came Abbey telling me we had 5 minutes left , i knew i had to unload or we would run out of time before i came, , i began to llosen before letting my spunk explode for a very powerful orgasm , after which we kissed on the lips.

Abbey dismounted me but had a final trick left she gave my cock still in the spunk filled condom a quick suck the sensation was very intense , Abbey accurately telling me i was very sensitive having come so recently before.

Afterwards she gave me some wipes to clean my cock and bag the condom and i dressed , Abbey changed into a sexy blk nighty , for such a sexy woman she is very down to earth , approachable and chatty , as well as being a professional porno star , she has worked as a stripper , and has lots of gossip about the adult business.

Abbey led me out of the bedroom to the front room telling me next time we would have to bring the kama sutra and we kissed on the cheeks as idid with Kay who was waiting for us with my dry socks and trainers , I left trying to dodge the puddles , but very happy after a fantastic bout of sex with an incredibly sexy and horny woman.
