The Premises:

Described in plenty of previous reports. On Bristol Road opposite Aldis. Clean, safe, parking available nearby.

The Lady:

Brunette with shoulder length hair. Italian! 19 yrs, 5' 5", petite, but curvy with c cup breasts...firm and georgious with lovely pert slightly puffy nipples. Fantastic body all round.

The Story:

Chose Angela instead of the oriental girl (whose name I forget) because I knew she wouldn't do reverse oral to completion (or anything close to it)...sucker for brunettes as well. Usual exchange of requirements and finance and a fair old wait didn't bode well...it seemed too business like.

Anyway, she's a rare old firebrand this one...no messin'. Nice back rub followed by more personal rubbing. She allowed me to suck those fabulous nipples of hers and she responded nicely. I don't think she's used to anything vaguely gentle or approaching gfe. Then persuaded her to let me down on her (extra ?10...don't accept her attempts at ?20) and amazingly she let me suck her off to completion (or damned good fake one..ho hum) which sent me to 7th heaven. She tried to suck me off after that but was too rough for my liking...finished off mish which didn't take much.

Wow...best punt in ages. This girl is a potentially excellent gfe and could move on to better things. Poor start but excellent finish. And her body...I could worship that girls body.

Treat her nicely lads and she'll take you to heaven.
