### The Premises:

Clean working girl apartment - used as an agent flat by visiting working girls who work for this agency

### The Lady:

Blonde - not as attractive as the pictures by some way, bigger tummy, scars on boobs

### The Story:

Bit of an attitude. Was told she delivered BBBJ and Anal which I wanted. Tried to put a cover on - told her the deal and she screwed her face up - instead of me screwing her face off.... Anyway, uncovered oral was given - poor service. No fingers in pussy, no real engagement. On with cover and entered her pussy - mechanical (why do we bother with these out of towners). Told her I wanted anal - face again screwed up, told it was agony. All in all my own fault - took a chance on the pictures and the promised service. Too expensive and regardless the services were appalling. Will not use them again - too variable in quality of girls.
