The Story:

Have seen Abbie before under a different name at a different agency.
And i'll be back again !
She is an absolute dream.
Shower available at start and end of appointment.

Lost of kissing, this girl knows what you want before you do.
I love it when she takes control...
This visit she decided I was ready for the strapon !
One of my aims with this 'hobbie' is to try new things so I was game to try.
She took it at my pace, and it was a truely memorable experience.

I'll be back for more just as soon as I can.
See her while you can, she has a life plan and wont be doing this for ever.
