The Premises:

My favourite, the IK apartment in Wakefield - clean, spacious, and easy to park.

The Lady:

Stunning, slim, with legs and bum to die for, deep blue eyes, chatty, and full of life.

The Story:

Ruby answered the door wearing a peice of material that just about passed for a dress and which showed her body off perfectly. It had been a number of months since I last saw Ruby and I was touched that she remembered me. We caught up on the sofa like old friends - old friends that kiss and touch and laugh with a passion - and life had been / is good for both of us. More passionate kissing and touching on the way to the shower and then time to re-aquaint myself with her lovely body aided by her little bag of lotions and potions. Wonderful time giving Ruby pleasure - the sweetest thing - then spent the next half hour pinned to the bed with Ruby working her magic on me and finishing with Ruby on top to make it one all. Best of all this was great fun from start to finish. Thanks Ruby for an amazing time - I'll see you soon, hopefully, for some RnR. Love T.
