The Premises:

Place fantastically clean, staff more than friendly. Entrance right next door to a cafe, however not obvious.

The Lady:

Wow, Sara is amazingly pretty with the best figure a man could want. Really cute face and she obviously looks after herself. Website pics are pretty accurate however she is gorgeous in the flesh.

The Story:

Waited for about 5 minutes for Sarah to come back in to the room after paying. Went to the little boys room and when I came back she was stripped on the bed waiting for me.

Started with a nice massage then went on to covered BJ followed by sex in various positions, doggy, mish, reverse cowgirl, and OMG... what an ass, looking at that while drilling Sara should have made me shoot but - off with the rubber and a nice oily handjob later should have done it too however ran out of time, im sure Sara would have continued but I had to run. Next time I am going for an hour with Sara if she will have me. Did I mention that she loves to talk dirty to you ??

AMAZING !!!!!
