The Premises:

Have seen a number of girls here. Well known block in this area. Posh entrance but the inside is similar to anywhere. Fit for purpose though. The flat was nice and Katie's room was spacious and contained a sofa where I could place my clothes.

The Lady:

Pictures are quite accurate but she's more pinkier in real life and her body is rather podgy. She's not fat. Quite a shapely figure but not firm for her age. Pretty brunnete in early or mid 20's. Dark eyes and hair.

The Story:

Quite a friendly girl but came across as rather shy. She did warm up and started smiling a lot more as we got on. Gave my balls a nice session of tongue action but no rimming. Had a long session of foreplay and then she started sucking. Gave deepthroat well and took cum with no hesitations.

Went for a quick rinse to the bathroom.

Talked afterwards and she didn't really get me aroused for a second shot.

In fact as soon as we were in the last 15 minutes of the session she started rushing me and asked if I'd like a shower and that I would have to go. She got off the bed and went to the bathroom and then came back to get dressed.

This spoilt the session for me and whereby we were having a nice chat it was obvious that she had just used the chat to get the time out of the way.

Though the first session was good, the clockwatching towards the end completely spoilt a session that had started off with the hallmarks of a decent punt.

8/10 for looks and 6/10 for service.

It'd be harsh not to recommend as she started off well. Shame about the clockwatching.
