The Story:

Its been about 4 yers since i last saw helen but she greeted me just like an old friend when she opened the door, i was amazed she hadnt aged a day and was as stunning as always she was dressed in black revealing enough to remind me of what i had been missing i wont go into detail but let me reassure you helen is not to be missed she is not the easiest of people to get to see but stick at it as it is one of the best punting experiences around thanks helen i shall try to get back soon
