### The Premises:

Excellent venue as previously reported.  
Shown immediately to room by pleasant receptionist.

### The Lady:

OMG! I'm 5'10" and Charlie seemed slightly taller although she was wearing thigh high pink shiny boots with heels. Also wearing a mini skirt and a crop top (I think).  
Extremely classy sounding girl with an educated voice. Also VERY pretty with a cheeky, beguiling smile. Reminded me of Drew Barrymore only prettier and slimmer. And gorgeous, long, long legs.

### The Story:

Once she'd got her kit off, except the boots, Charlie was so gorgeous I didn't really know what I wanted so she took charge and I had no complaints with that. She gave a really professional back massage and eased knots probably caused by the drive there and the unnecessary tension of the situation. I was soon relaxed and she rolled onto her back. Between lovely kisses (not French) we talked movies! She is also into sport. Running and squash. Not, alas, wrestling with other girls! I stroked her delightful thighs and tummy and nuzzled her perfect tits. I couldn't resist those endless legs wrapped around me so that's how we finished.  
She helped shower me off and parted with kisses. Quite a lovely experience.
