### The Premises:

Clean and big flat inside a small block. Safe, with pay & display parking on adjacent street.

### The Lady:

Young slim blonde with a good size breast. About 22 yrs old, 5'6, beautiful face coated with soft smooth clear and clean skin.

### The Story:

What strike me most, apart from her beauty is how friendly and energetic this girl is. Service-wise, everything (except "A") was on offer. She is a great kisser, and can take a good pounding and love it. She was even beckoning on to pound her harder. What a sweet girl!

I am happy to have met this girl for her excellent OWO technique. I couldn't help it, but came in her mouth. The best part was when I was taking her from behind, standing and watching it from her mirror. This girl is worth every penny and more.

To sum it up, it is GFE meets PSE.
