### The Story:

Tanya is very cute, very tactile, touching hands, legs while we sat and had a chat/drink. Easy to get on with with an infectious smile which brightens up the whole room. After seeing her I decided on an early shower to enable us more time together. I entered the bedroom and we decided to take off the dress immediately which uncovered a flawless trim figure. We soon were laid on the bed kissing, and if you've ever kissed Tanya you'll know what I mean about fantastic. Bra and thong off to find she was already quite wet and her large nipples were already erect, couldn't wait to sample her pussy and she tasted beautiful, lots of oral followed in various positions and watching Tanya through the mirror knelt before me with my cock deep in her mouth was a treat to remember. She is very passionate and puts everything into your enjoyment. At first I did think she was a little shy but this was soon forgotten in the bedroom, in fact she was very horny and always inviting and encouraging different actions and positions, giving her oral whilst she was on all fours was delightful and the moans and groans only spurred me on more.

We got that warm that Tanya actually was sweating and she got up to open a window, She is definitely not for the faint hearted and won't stop until you do.

Sex in various positions followed which again brought out the best in Tanya as she absolutely loves sex, it's as if she was born naturally to it she just performs so enthusiastically.

Would have preferred to finish off CIM but probably my fault for not asking but with lots of oil over my cock she brought me off with a fantastic finish.

Truly gorgeous creature who absolutely loves her work and is really fantastic company too, pleasure to meet her and definitely will do so again

Thanks Tanya, keep smiling xxx
