The Story:

When she walked in I could tell you was busty, however, it was only when she took her bustier off my eyes nearly popped out of my head. This girl is so slim and her tits are beautifully saggy, they just look amazing, I love a slim girl with big tits!!!
I immediately paid for a full hour, I couldn't wait!

I undressed her and gave her a good feel all over first, playing with her tits in the mirror was great, I could have stood there forever!

I then laid down and she gave me a suck, i then stood up and let her get in the doggy position to suck me some more, I loved watching her hanging ttis as her head bobbed up and down on my solid cock!! Heaven.

Turned her around and proceeded to pump her very deeply, holding on to her tits was great, and watching us in the mirror, then I made her stand up and pumped her from behind hard again, until I had had my fill of her body, shot my load and was very pleased indeed.

If you like big tits, you will enjoy hers!
