### The Premises:

Outside the flat looked a bit like a building site. But since they were replacing the tiles in the hallway, what'd you expect. I'm sure if I went there this time next week, it'd be fine...

Inside was smart, clean, and tidy, and since they'd only been open for 15 mins, there was a flurry of girls applying makeup and getting ready. Nice bonus, and would have been happy to have sat on the sofa in the lounge, and admired the view!

### The Lady:

Had a choice of four lovely ladies, but chose Nikki because, I hadn't seen her before, she had a nice cute smile, a great body, and seemed to have a good attitude.

Incidentally the pictures on the web site are spot on. She's very pretty and petite, about 5'5", with soft skin and lovely natural breasts.

### The Story:

Had a quick shower, then got started with some mutual kissing (Quite passionate), caressing, and undressing. All GFE type stuff, and very nice indeed.

Moved onto the bed. Oral was covered, and sex was conducted in a variety of positions. Not because I'm some kind of athlete, but mainly to get the best possible view of a gorgeous body.

Afterwards had a chance to chat before leaving, and although Nikki doesn't think her English is very good, it's far better than she thinks.

All in all, I had a delightful time, and would certainly see her again...
