The Story:

My second visit to see the drop dead gorgeous Patricia during her recent visit to Dublin. It had been over three months since our last meet but in seconds sparks were flying and it felt like an old flame had been re-ignited. The last time, it was in a plush hotel, this time I got a five-star service in a cosy, easy to reach city-centre apartment.

Met at door with a passionate kiss. Patricia was wearing her black PVC nurse outfit and thigh high black boots, stockings and suspender belt. A brief chat followed and down to action. She is amazing, loves kissing and can anticipate exactly what you want. In particular I love how she can fix you with a saucy stare with her deep beautiful eyes as she is talking dirty or going down. Has amazing techniques in all departments and quite vocal, really seemed to be really getting off.. In between the more raunchy activities, she is a real lady and wonderful to talk to. I highly recommend her if you are into curvy classy ladies who will bring you on a really sexy adventure. Will I see her again? Wild horses would not drag me away!
