The Story:

Sophia is a very slim size 8 models with brunette hair. She is half Greek with a fair complexion.

Sophia is a great looking lady with a model size 8 figure. I booked an hour with her in a vip Jacuzzi room. She entered wearing a body hugging black dress that just about stretched over her great ass. If you ever have the pleasure of watching her bend over wearing this sexy outfit, you will end up having an erection through the visual therapy.

They lady is great company. I wont go into detail about what we got up to, however I guarantee you will leave the room smiling. If you don?t, then you must be batting for the other side.

I will definitely see her again.
