The Premises:

Very new, clean flat in the Hub in Central MK. Very safe. A bit tricky to find but Brooke gave good directions on the phone.

The Lady:

Very attractive, . 5'5", dress size 10, 32DD firm natural bust. Shoulder length blonde hair. Was topless and wore a G-String.

The Story:

I had seen her before working elsewhere but tracked her down through Crystal so knew what to expect regarding looks. Extremely friendly and although there are no pictures, she will be getting a web-site soon. Basically she offers a qualified naturist massage. We chatted for a bit and had a coffee and then she told me to lie face down on the couch. Gave a slow, very sensual massage and leant over my back so I got a nice view of her leaning over me. Then turned over and given a hand-job to climax. She allowed me to touch her boobs and bum. Doesn't offer intercourse or french kissing as this is not a full personal service but tells me she will be offering a toy-show soon. Probably an extra ?20 or so she reckons. I look forward to seeing this. It is so tempting to want to do more as she is no nice but there was no rush and she is very attractive and friendly-just a shame she doesn't offer more!
