### The Premises:

Small terraced house, area seemed safe enough.

### The Lady:

Mature lady about 40 with long curly blonde hair and a very sexy soft and curvy physique..... horny as hell!!!

### The Story:

I was greeted at the door by the lovely Helen and after a few quick words followed the vision of her nylon clad legs and gorgeous backside up the stairs. We continued to chat, Helen has a great knack of putting you at your ease, as I stood while she sat on the end of the bed. All the time Helen was stroking my crotch. She jokingly gave me a hard time as she struggled with the buttons on my jeans, (Sorry Helen, I only ever wear 501's), and once she had succeeded Helen pulled me free and deep into her warm mouth for a long session of the most exquisite OWO....all the time either playing with my balls or backside...

heaven. After a while I looked down to see Helen had pulled her top down to reveal her beautiful boobs, her skirt was rucked up and her shaven pussy was exposed and beckoning me. Having lifted her up and further onto the bed I spent some time licking and sucking her with a finger deep inside her backside....she appeared to be enjoying this nearly as much as I was. The rest of the hour was spent more or less along the same lines, more OWO and Helen swallowing every drop or just lying together kissing and chatting like old friends.

We finished with Helen astride me, riding me hard and she appeared to come heavily as she drained me dry....some things you just cannot fake and the feeling of that warm wetness running over my thighs gave my ego a real boost. What can I say about Helen that hasn't been said already? It's well documented that she prefers the older blokes and for that I am grateful, (although I'm about Helens age), and if she saw younger inexperienced guys then I think she would ruin them as they would find it near impossible to find anyone else that performs like her. This is not girlfriend sex or I have definitely been going out with the wrong girls, if this FR gives the impression that I am

a fan.....indeed I am.

Helen is "sex on legs" and in the words of that famous actor and Austrian steroid abuser "I'LL BE BACK!!! "
