The Premises:

The Georgian at a quiet time...which can be OK - the room as clean (VIP upstairs Room) The Georgian area is quite safe OK Place to park car & not a very public area, besides the front door to this place now seems to be defunct.

The Lady:

Petite Caribbean lady...with awesome arse....preferable to the two east European offerings as the alternative...I've seen one of them before & found her very stropky...you dont need to buy this & the Georgian ought to school their EE offerings to drop the attitude...especially Angelina.

The Story:

This lady has the most captivating smile & a very fine body clothed in a way that was very provocative.....Erica gave me a very firm massage that eased the tensions of the day & a very stimulating ball & cock fondle...no mucking about here. This girl is an animal. After mutual oral which was very deep throat we went into mish that was on her part very sensual she gripped me in a vice like way with her legs...the one give away that she was enjoying was the blushing of her breasts that even on her skin colour was quite noticeable. Erica is quite a natural girl that likes to talk & wants to know about you...if she was available for a one nighter I would really consider her as the event would be something to remember.

Erica only travels to this area to work & isn't here in the north many days as she only works here.....Sandy's take note there is a girl here that is worthy to work in your exalted "cant be criticised" establishment...she has the looks & the attitude,,,,,maybe NG will beat you to it.
