The Story:

This is the first time I have seen Charlotte, but she was so good, I thought a FR was in order. I was enticed to see her by the great pics on her site and was not disappointed. As requested, she wore a sexy babydoll outfit to show off her enormous boobs - they actually seem more than FFs in the flesh! We started chatting and I soon realised she was not only very friendly and professional but in fact quite a laugh. We soon began kissing and she then wasted no time before undressing me and showing off her incredible deep throat skills. WOW!! One thing led to another and she certainly does oblige in offering all the services you could desire - all delivered with enthusiasm and a smile.

All in all a great experience with a friendly and willing girl.
