The Story:

I have seen her before so I knew what to expect - a true GFE experience. I arrived a bit dishevelled and tired as I had had a hectic morning so I decided to take a shower when I arrived. She greeted me in her usual way, warm and friendly. She gave me some fresh clean towels and off I went. Came out a few minutes later and with a 'semi' in anticipation of what was to happen.

Hearing that I was out of the shower she called me from her bedroom, the door was ajar so I could only hear her. When I got in she was lying on her back, with her legs bent and the soles of her stockinnet feet flat on her bed, she was playing with her pussy and masturbating. My 'semi' soon became rock hard on seeing this and I quickly joined her on the bed. We kissed passionately and there was a lot of mutual heavy petting. I put my finger in her cunt - it was warm and wet.

She then gave me a lovely massage, firstly with me on my front, she has a lovely delicate touch - especially when she 'accidentally' brushed against my sack, she then started to give me a body to body massage rubbing her gorgeous tits up the crack of my arse and up my back - exquisite or what.

She then turned me over and did the same all over my front - teasing me with her tongue and licking and biting my nipples. I was ready for her BBBJ - just as good as the first time - not only sucking it but running her tongue up and down my shaft. On with the condom and on she rode, she played with my nipples and French kissed me as she lowered and raised herself with a quickening pace.

I was now well and truly ready to give her a good ramming with my rod. I took her in my hand to start with and finished doggy, pulled her hair lightly and she moaned like a bitch begging for my cock, saying lots of dirty things. Instead of cumming this way I withdrew, turned her over and shot my load all over her tits.

I was knackered, but very happy. We had a bit of the usual small talk before I got dressed. A bit

more chit chat then I left her with a French kiss.

She's a really nice girl, superb figure and very good at what she does. VFM? - for sure - YES!!
