my hotel, city centre

The Lady:

Her description and pictures are accurate, and she is Indeed quite a Personality, and a Fun Girl at that!

Sasha came dressed very nicely, neutrally and just a tad classy. But once she handed over her coat, she had something very nice underneath. On entering the hotel, she looks very bit the colleague or friend that would visit you, or go for a drink with you.

She is fit, and her posture shows it (I forgot to ask, but she could be a dancer?)

The Story:

Once in the room, Sasha turns into this Hot Woman!

She is confident, knows what she is doing, and her whole Attitude oozing seduction. She focuses completely on her partner. And she knows exactly how to drive a man crazy. She is not afraid to speak her mind, and tell you what she likes, and it all adds to the pleasure.

We seemed to be a very good match. Sasha is an Excellent Cuddle, who can give herself completely to her partner.

Whether you prefer tender embraces or hot-n-horny humping, Sasha knows exactly how to do it. She will use her fingers, her tongue, and all her unmentionable bodyparts to tease-and-please you.

And I defy anyone to stay in control when Sasha gets into the rhythm. This Lady knows how to please, how to Excite. And the best thing to do is to participate and Enjoy!

She will take part in the Fun herself, and she is definitely not a clockwatcher. She is much to excitable to pay attention to the time.
