The Premises:

Fairly decent 3 star hotel in Newcastle. Recently upgraded. Easy to find, rooms are quite modern - so no problems.

The Lady:

21 year old lady, blonde hair, 5' 6" tall.

Website says dress size 8 - 10.

Like all "seasoned" punters I sometimes have problems with agencies, agency owners and independents - they tend to lie in the description. So how did this one fair?:

Height - correct.

Dress Size - now normally I take size 8 to mean 12 and size 10 to mean 14!!! I have seen many ladies described as size 10 only to find that their appetite for kebabs is even bigger than mine (i'm not a skinny lad lol). Hailey is def. a size 8. Slender yet not skinny. Possibly has a "perfect" body, with the most fantastic set of legs you will ever see. (I'm a leg man and trust me if I say they are good legs then chaps you can take it for a certainty you wont be disappointed in those!!).

The Story:

It is very rare for me to do reviews on Punternet. I keep them for only the very best dates.

Hailey arrived about 10 minutes late (but the agency kept me fully informed via text about what was happening). I was more than happy with this - traffic in Newcastle can be a little unpredictable at times.

Knock at the door, Hailey walked in blonde hair - stunning.

Offered a drink and he sat and chatted for a while. For a 21 year old I was stunned, surprised but very pleased to find out that she had a personality and could speak on a number of subjects. She was happy, smiling, laughing and appeared to be quite pleased to be there. Some of you may have had experiences like me before - you meet a 21 year old stunner who knows they are stunning and

make you feel as though their presence is sufficient and therefore dont have to do anything else for their money - not Hailey.

After a while chatting we began to kiss.....thats enough of the details except to say that if you ever see Hailey may I recommend you ask her to white her "white" underwear which includes stockings, suspenders etc. She looked perfect in them!!

To be honest Hailey made sure the evening went very well and was a superb date. I asked her three times if she was really only 21 (She looks 21) but has a mature attitude to this work. She understands the most important thing in my opinion about escorting:

"She understands that anyone can have sex, but to understand its the route you take to the destination that counts".

Would I recommend? - hell yes!

Would I see again? - second appointment was arranged within 20 minutes of meeting her
