The Premises:

Bungalow on a very quiet street, parking no problems, felt very safe.

The Lady:

Anna has a very good web site with pictures which look great however she seems to have lost a little weight and as she did not have much weight too loose in the first place makes her look very thin and dare I say a little unwell. She looked late 30's and is quite short 5'2" maybe.

The Story:

Anna is very quiet and likes you to very much take the lead which unfortunately lead to some awkward pregnant pauses between action.

However she is very good at all she does and I have no complaints with the service she provided.

Overall a fair punt but not good enough for a return visit. Thanks Anna.
