The Premises:

Nice clean basement flat in a block just off Riding House Street, to the north of Oxford St.
Safe at that time of day.

The Lady:

As per the website pictures, Natalie is about 5'6", slim (slimmer than I usually go for) with lovely eyes and a delightful smile. She told me she was from Latvia, but her english is excellent. She is an absolute gem !

The Story:

I was in Regent St, feeling an urge coming on and so called the agency and spoke to Victoria, to see if they had anyone nearby who would entertain and relieve me. She suggested Natalie and I went along with her suggestion. Boy am I glad that I did !

It was my first time of meeting Natalie and I hope to see her again....and again, As soon as you meet her yourself, you will understand. Those reviews on Barracuda's website are correct. You somehow feel as if you know her intimately, that you are meeting with a former lover once again and it feels so good !

We did OWO, Reverse Oral and sex (covered) to completion. What we did is unimportant. Her temperament, smile, throaty laugh and all round attitude made this a must repeat experience. If I had had the time yesterday, I would have extended the appointment. I will be back, as soon as I can.

Highly recommended, Go see her !
