The Premises:

Nice place, well reported. Easy access from the rear(if you pardon the pun!). Clean foor, sheets and towels..overall seems well managed.

The Lady:

24yrs old, size 12 with a 34c at a guess. She is not on the skinny side, so just right..well toned figure with nicely tanned skinn. SHe has great boobs and hard erect nipples inviting to be kissed...Nice legs although showed signed of 4o'clock shadow..! Very pretty face, with short brown hair and i dare say one of the prettiest ladies i have seen working here for a while. She has some very very sexy tatoos on her back that are a real turn on...for me at least

The Story:

Was a little busy as i got there, and there were 2 girls working, sasha and chanel. Chanel incidently is the sister of kelly (also reported on this site). Chanel was busy and as i walked past sasha there was a little something about her that made me think "Oh yes"..

So paid up and off we went...

Sasha i'm sure would be a very good punt, however on this day she seemed in a real rush to get things over with..She immediatly stated that she would not be massaging me as it was busy and kept asking me to hurry up..a shame realy 'cos i really wanted to savour the moment. She is a really sexy girl....

Needless to say after about 3 position changes it was over with..

Dont get me wrong..althought his may sound as though it is a bad punt..it is not..sasha is very down to earth which adds to her sexy demeanour and was a real lady..however i'm sure she may have been feeling hte pressure of the moment when the phones were ringing..

Overall.. i would rate her a 7 out of 10..
