The Premises:

Top floor flat close to town centre. The flat was well presented and looked recently decorated. There is adequate parking close by and the area is safe.

The Lady:

A lovely girl who looks much younger than the late 20's quoted on the phone. She is quite tall with long blond hair and lovely skin. She is well spoken and very friendly...what more could you ask for!!

The Story:

Was shown into the room...the money was sorted out and Emma left me to get comfortable. Not the usual long wait...hardly time to get my shoes off. Emma was dressed in matching red bra & panties with hold-up stockings. Emma has a very soft touch and seems to really enjoy her work. She is a lovely girl and deserves to be treated well so please do. I won't go into more detail save to say that I was a little loathed to write this report cos I'd love to keep her all to myself and don't want the queue to be too long the next time I visit.#

Thanks for a lovely time Emma see you soon x x
